

SEGENSWORTH SECURITY WATCH

TEXT ALERT SERVICE

SBF
SEGENSWORTH
BUSINESS
FORUM

The Segensworth Security Watch is an SMS text service to communicate security-related information.

IT HAS BEEN SET UP TO:

1. Keep businesses up to date with any security issues on the SBF estates.
2. Provide a text based service for individuals to report security concerns.

HOW IT WORKS?

If a business, employee or member of public wants to report a security incident they can text the information quickly and easily. The security team will then take the appropriate action and notify Segensworth businesses who have requested to receive the FREE service. See below to sign up.

EASY SIGN UP

1. FOR BUSINESSES: to receive security updates

To receive text notifications of any suspicious activities on the Segensworth estates email segensworth@oaksec.co.uk or tel **01206 793673** and inform us of your mobile number. You can supply up to three mobile numbers per company and notifications will only take place during office hours.

2. FOR INDIVIDUALS*: how to report a security incident?:

If you want to report a security incident text **88802** and the word 'security' followed by a simple message.

*If you would like a few information cards about the service for you to provide to your employees:

Email martin.ourourke@sbfl.co.uk or call **01489 883396**.
