

FAST ACCESS TO GRANTS AND FUNDING

EXCLUSIVELY AVAILABLE TO SEGENSWORTH BUSINESSES

Open4Business is an on-line user-friendly, accurate and professional funding tool which has helped its users to facilitate the securing of millions of pounds' worth of support.

Each year, hundreds of millions of pounds worth of grants, loans, awards and other funds are on offer to help businesses retrain staff, invest in new equipment, carry out innovative

R&D, diversify into new markets and much, much more.

Continually updated and checked for accuracy, Businesses can use Open4Business to quickly and easily search for themselves through the thousands of funds available to them, from major European Union and Government programmes, to regional schemes, local authority funds

and prestigious business award competitions.

An intuitive, easy-to-use funding search tool allows organisations and individuals to find out what funding is available to them by answering a few simple questions. A simple search allows complete and concise fund details, including criteria, who to contact and links to application forms.

FAST, EFFICIENT AND EASY TO USE.

To see how easy it is to use and review the grants available, simply go to www.idoxopen4business.co.uk/segensworth
